Kieren Clark was delighted to be presented with the BARC President's trophy for 2009 at the recent British Automobile Racing Club awards ceremony. This prestigious honour is awarded for excellence during the 2009 season, and Kieren's winning streak in the BARC Formula Renault championship of 8 wins saw him chosen by the BARC President, the Earl of March, above the other evenings championship winners, including F3, Touring car and F1 champions. High Praise indeed!

## PRESS RELEASE

At the start of year, Kieren took part in David Brabham's Racing4Charity Celebrity Karting Challenge, hosted at the Autosports Show, held at the NEC Birmingham, which saw 100 of the world's motorsport elite join together to raise an astonishing sum of £59,500. Kieren's team came home 4<sup>th</sup>, only narrowly missing out on a podium place. "It was great fun," commented Kieren, "each team had 2 members of the public racing with them, and we had a couple of great guys who really enjoyed themselves. We only just missed out on 3<sup>rd</sup> place, but we'll be back next year!"

Kieren is now working to bring a group of partners together for the 2010 season. "I know we can be really competitive in the Formula Renault UK support race for the British Touring Cars, and with live TV coverage, offer a great partnership to boost our partners' profile. There are many things we can offer and we can tailor them around company's requirements to deliver their objectives, it's a lot more than the name on the car!"
